Reading							
متن های زیر را بخوانید و به سوالات آنها پاسخ دهید.							
Passage 1: Science is always changing. In the future, science will become even more important in our lives. People are working hard to make new things and invent new technologies. The future of science is very exciting! There will be many new things to learn and new ways to help people. For example, people are working on finding new medicines to cure diseases. Another exciting area of science is robotics. People are making robots that can do many different things. Robots can help students learn a second language faster. Scientists are also working on making the world a better place. They are looking for ways to save nature and protect animals. 61) How will robots can help students? 62) what is another exciting area of science ? 63) The future of science is exciting. a) True b) False 64) Robots can help teachers learn a second language.. a) True b) False							
Passage 2: When people are going abroad, they must do many things. They must get passports and visas. Most often, they should go to the Police to get passports. They should go to the embassy of foreign countries to get visas. They should also become familiar with their destination before their trip. They can do that by buying books, reading booklets, or visiting websites. This may take their time. But it can help them a lot. They may buy tickets and book hotels online. Or they may ask a travel agency to do that for them. When everything is ready, they can leave the country safely and enjoy their trips. 65) They must get , when they are going abroad. a) passports b) visas c) money d) a & b 66)where should they go to get passports? 67) where should they go to get visas? 68) what can they do online							
Passage 3: The Nile is the longest river on Earth. It is more than 6,000 kilometers long. It is an important river for African people. It gives water to people and animals. There are other rivers in Africa but they are not as important as the Nile. These rivers aren't very long. They are useful for villages and small cities. We live in a wonderful world. All around us there are amazing things like small and big animals; long rivers; dark jungles; tall mountains; and different people and nations. This world is like a strange book. Match the column: 69)The Nile is a) more than 6,000 kilometers 70)The Nile is b) is like a strange book 71)This world c) is the longest river							

«Good Luck»
